ΚΕΦΑΛΗ ΗΦ
UNPROFESSIONAL CONDUCT

I am annoyed about the number 89.
I shall avenge myself by writing nothing in this
chapter.
That, too, is wise; for since I am annoyed, I could
not write even a reasonably decent lie.

Frater Perdurabo (Aleister Crowley)
*The Book of Lies, which is also falsely called
Breaks: The Wanderings or Falsifications of
the One Thought of Frater Perdurabo, which
Thought is Itself Untrue*
